

REINVENTING Dharavi

AN IDEAS COMPENDIUM

The Urban Design Research Institute would like to cordially invite you for the release of the publication '*Reinventing Dharavi: An Ideas Compendium*', to be launched by Sharad Kale, Shirish Patel, Jockin Arputham and Cyrus Guzder.

UDRI had conceived an international competition to generate viable and alternative solutions for the rehabilitation of Dharavi, while trying to retain its inherent qualities. The publication compiles the concepts that were received as part of the competition entries, spanning 20 teams comprising a total of 140 participants, across 21 nationalities.
